

Application Community Advisory Membership

**Community Advisory Memberships
21 McGivern Street, P.O. Box 1300
Walkerton, ON N0G 2V0**

South Bruce Grey Health Centre is now accepting applications for Community Advisory Members for the 2010-11 membership year, which begins on April 1, 2010.

Being a Community Advisory Member is an excellent way to stay informed on what is happening throughout the Hospital Corporation and changes occurring in our health care system. Members are updated regularly through membership mailings and periodic meeting attendance, and play a key role in SBGHC's governance structure by advising the Board on the review and selection of new Board Members and other issues that arise during the course of the year.

Being a Community Advisor is an opportunity for members of the community to have their say and to ensure that high quality health care is maintained in our area.

Your application is enclosed (reverse). Additional copies are available on the Hospital's website – www.sbghc.on.ca, or by contacting Anne Schnurr at (519) 370-2400 x 2214, aschnurr@sbghc.on.ca.

We thank you for your support, and consideration in applying for the coming year.
