- Strong computer skills for power chart and order entry
- Rotating shifts and weekend availability
- Excellent organizational and patient assessment skills
- Excellent communication and collaboration skills with patients, families and other healthcare professionals
- Excellent problem-solving, decision-making and interpersonal skills
- Ability to respect and maintain confidentiality
- Commitment to continuing education and professional development
- Knowledge of and adherence to SBGHC Core Values (Teamwork, Empathy, Accountability, Mutual Respect, Safety)
- Advocates and supports a culture of patient safety and demonstrates an understanding of how the department service and assigned responsibilities contribute to overall patient safety at SBGHC through patient safety knowledge, skills and attitudes
- Recent satisfactory performance with demonstrated excellence in attendance required
- Knowledge of and adherence to Occupational Health & Safety and infection control principles

Employees of SBGHC are eligible to apply for funding towards maintenance of required education and certifications, as per the Corporate Learning Policy.

Employees of SBGHC are eligible to apply for funding towards maintenance of required education and certifications, as per the Corporate Learning Policy.

To be considered for this position please submit cover letters and resumes to Human Resources by email to postings@sbghc.on.ca clearly indicating the posting number noted above.

Note: As a condition of employment, you are required to submit proof of COVID-19 vaccination to the Hospital's Occupational Health and Safety department. Successful candidates will be required to submit proof of COVID-19 vaccination (two doses) from the Ontario Ministry of Health website or other authorized source directly to the Occupational Health and Safety department. In the event that you are unable to be vaccinated as a result of a ground protected under the Human Rights Code, you may submit a written explanation of the ground and any supporting documentation to determine if you are exempt from this requirement to the recruitment team.

If you are a new nurse, you may be eligible for the Tuition Support Program for nurses. The Tuition Support Program for Nurses (TSPN) offers tuition reimbursement to recent nursing graduates from rural and remote communities who are new College of Nurses of Ontario (CNO) registrants and who choose to do a return-of-service (ROS) in an [eligible underserved community](#). The program is open to nurse practitioner, registered nurse and registered practical nurse graduates who apply within one year of having graduated from a Canadian University or College.
