

## Temporary Part Time Multi-Site Medical Radiation Technologist

**Position posting number: 240474**

**Rate of Pay: Reference Paramed Collective Agreement**

**Schedule: Temporary Part Time Multi-Site Assignment**

**Location: Chesley, Kincardine, Walkerton**

Applications are currently being accepted for a Temporary Part Time Multi-Site Medical Radiation Technologist for the Chesley site of the South Bruce Grey Health Centre, with shifts also assigned to the Walkerton and Kincardine sites. This position is part of a combined Diagnostic Imaging & Cardio Respiratory Department. Regular shift assignment will include core MRT duties, General Radiography and Computed Tomography, with possibilities of continuing current modalities. Responsibilities include performing high quality radiographic examinations and ensuring a safe working environment. It is the responsibility of the incumbent to maintain competency in the radiology department.

This temporary position is not to exceed January 2026. If the position is going to end prior to January 2026 or exceed January 2026 two weeks' notice will be provided.

### **Applicants must meet the following criteria:**

- Current registration with the College of Medical Radiation and Imaging Technologists of Ontario required
- Registration with the CAMRT preferred
- Computed Tomography Experience preferred
- Current CPR certification required
- Working knowledge of the Standards of Practice of the College of Medical Radiation and imaging Technologists of Ontario and the Health Professionals Act
- Experience with Digital Radiography equipment, and Regional SWODIN PACS considered an asset
- Demonstrate Quality imaging
- Epiphany or other Cardio server software experience preferred
- Mammography or Bone Density or GI Enhanced Practice certification is an asset
- Proven interpersonal skills to successfully communicate with patients and staff
- Able to identify process improvement opportunities and recommend solutions
- Demonstrated commitment to continuing education as required
- Ability to provide participatory leadership, team building skills and inter-professional collaboration
- Knowledge of and adherence to SBGHC Core Values
- Advocates and supports a culture of patient safety and demonstrates an understanding of how the department service and assigned responsibilities contribute to overall patient safety at SBGHC through patient safety knowledge, skills and attitudes
- Recent satisfactory performance with demonstrated excellence in attendance required
- Knowledge of and adherence to Occupational Health & Safety and infection control principles

**To be considered for this position please submit cover letters and resumes to Human Resources by email to [postings@sbghc.on.ca](mailto:postings@sbghc.on.ca) clearly indicating the posting number noted above.**

Note: As a condition of employment, you are required to submit proof of COVID-19 vaccination to the Hospital's Occupational Health and Safety department. Successful candidates will be required to submit proof of COVID-19 vaccination (two doses of the COVID-19 vaccine (primary series, boosters and/or XBB) OR one dose of XBB vaccine at least 14 days prior to start date) from the Ontario Ministry of Health website or other authorized source directly to the Occupational Health and Safety department. In the event that you are unable to be vaccinated as a result of a ground protected under the Human Rights Code, you may submit a written explanation of the ground and any supporting documentation to determine if you are exempt from this requirement to the recruitment team.

SBGHC is an equal opportunity employer. We thank all applicants, however, only those selected for an interview will be contacted. SBGHC will provide reasonable accommodation in compliance with AODA when notified by a candidate that accommodation due to a disability is required for the interview process.
